100 Universities Program--Advisability  
of Conducting in FY 1968

1. The Executive Director-Comptroller has approved the recommendation contained in referent memorandum a. that the 100 Universities Program be indefinitely postponed. A copy of this memorandum is attached.

2. We should plan to review the situation again in the fall of 1968, leading to a decision by 15 November 1968 as to whether or not to proceed with the Program in the spring of 1969. If conditions seem favorable, I would like to have your suggestions for specific changes in the Program at that time.
